Mining laws, therefore, a second party, at a later date, relocated the same in full conformity with the above named mining laws and is fully determined to protect his rights. Daily Happenings at the Great Copper Camp.

Bisbee, Aug. 19, 1897.

CONFERRING.

Mrs. J. Kinsey was an outgoing passenger this morning on a short visit.

Among the incoming passengers yesterday were E. J. Stoller and family, who have been absent from Bisbee a month or more.

Miss Minnie Davis has recovered from her sickness and is again able to be about. Miss Davis had quite a siege, and her friends will be pleased to note her recovery.

Tom Whitehead left this morning for his ranch in the northern end of the county. Whitehead & Hancock own a large herd and are among the prosperous cattlemen of the county.

The baseball game in Tombstone on the 22d is still arousing considerable interest here, and a good crowd of spectators announce their intention of going to the county seat with the boys.

A musician of ability in the person of Prof. D. Cassi is in the city. Mr. Cassi organized the Tucson Philharmonics, which has attained more than local renown, and is here to try to organize a band. There is plenty of material in Bisbee.

A shipment of copper ore was brought in from the Huachuca yesterday. There are many Bisbeeites interested in copper mining in the Huachuca, and there appears to be considerable interest manifested by both the treasure hunters and the local capitalists. The Huachuca are claimed by good prospectors to be an excellent range, and give great promise for the discovery of some rich copper deposits there.

Two Lives Saved.

Mrs. Phoebe Thomas of Junction City Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery cured her, and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results of which there are samples that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at Tombstone and Bisbee drug stores. Regular size 50c and \$1.00.
